**Marriage of Former Petersburg.**  
Cards have been received here  
announcing the marriage in San Francisco,  
Cal., of Miss Dorothy Myers,  
formerly of this city, to Daniel Aronson.

**Cases Set for Trial.**  
In the Hustings Court to-day the  
civil docket was called over, and dates  
set for the trial of a number of cases.  
Dates also were set for the trial of a  
number of Commonwealth cases,  
among the following: E. J. Winn, colored,  
for homicide, Tuesday, May 23;  
J. R. Allen, for homicide, May 23;  
R. R. Allen, for the larceny of an  
insurance check for \$70.75, on May 25;  
James Henley, for killing James Lewis,  
on May 29; and James T. Noell, for  
killing Mrs. Lottie Robertson, on May  
26. Allen recently was convicted, but  
the verdict was set aside.

**Highwaymen Are Sentenced.**  
In the Circuit Court of Prince George  
County yesterday John White, a negro  
highwayman, convicted of holding up  
and robbing Richard E. Palmer, a  
white employee of the Potomac Electric  
power company, was sentenced to the  
penitentiary. White sought to lay  
the blame on his accomplice by saying  
he was forced to help in the robbery.  
His accomplice escaped, but will  
doubtless be captured, as he is wounded  
in several places by the shots at him  
yesterday. William Smith was sentenced  
to fifteen years imprisonment for highway  
robbery.

**Died of Injuries.**  
Adolphus Brown, an employee of  
the Virginia-Carolina coal, died this  
morning at his home in Gill Street, of  
injuries received on Wednesday. While  
engaged in moving phosphate at the  
company's warehouse he was caught  
under a falling mass, and his ribs were  
crushed.

**Delegates Return Home.**  
The Confederate Veterans of A. P.  
Hill Camp, No. 2, in number, who  
attended the reunion at Birmingham,  
Alabama, returned home, greatly  
pleased with their trip and the hospital-  
ity they received.

**Notes of Interest.**  
Joseph Baugh, colored, was arrested  
this afternoon on the charge of stealing  
\$2 from Cornelius Holt, colored.  
The arrest was made so quickly that  
the money was recovered.  
Scores of boys and girls scoured the  
city to-day selling tags to raise funds  
with which to buy equipment for the  
coming boys' encampment on James  
River. They were very successful.  
Fire yesterday afternoon destroyed a  
frame building in Second Street, be-  
longing to Walter Long. The loss was  
about \$200.  
A telegram received to-day an-  
nounced the death in Philadelphia of  
John J. Schenck, a native and former  
well-known citizen of Petersburg. The  
body will be brought here for burial.  
He was a brother of Dr. J. S. Schenck,  
of Norfolk.

a Scholarship.

(Special to The Times-Dispatch.)  
PULASKI, VA., May 20.—The South-  
west Virginia Alumni Association of  
the V. M. I. met here on Thursday  
afternoon and evening. There were about  
twenty members present. A business  
session was held at 6 o'clock at which  
Major W. W. Bentley, of Pulaski, was  
elected president and Roy Sexton, of  
Wytheville, Secretary. Steps were  
taken looking to a consolidation of the  
Southwest Virginia Association with  
the Roanoke Association. The next  
meeting will be held at Roanoke, when  
final action will be taken.

A scholarship to the V. M. I. was  
acted upon favorably, subject to the  
concurrence of the Roanoke Asso-  
ciation. It is proposed to give a schol-  
arship of four years to some worthy  
student from one of the high schools in  
Southwest Virginia. It is suggested  
that the appointment be made by com-  
petitive examination to be given students  
recommended by principals of the  
schools.

After the business session the vis-  
itors were given an automobile ride.  
Dinner was served at 7:30 o'clock at

# OVER TWO HUNDRED MILLION PEOPLE PUBLICLY ENDORSE TANLAC NOW

## BEST MEDICINE EVER COMPOUNDED

Richmonder Tells of Stomach, Kidney  
and Bladder Trouble He Had.

EVERY PAIN AND ACHIE GONE NOW

"Tanlac is wonderful, and is a 'boon'  
to suffering humanity, and I know, for  
I can appreciate the great good it did  
me. Tanlac is the greatest remedy ever  
compounded in my opinion," continued  
Mr. Hall, "and after losing weight, ap-  
petite and strength, I began taking  
Tanlac, and it made me all right again.  
I had various troubles of the stomach,  
kidney and bladder; had awful head-  
aches, limbs would become numb and  
spent many a restless, sleepless  
night before I took Tanlac, but now  
after taking only two bottles, all my  
pains and aches have left and gone for  
good. I feel better than I have felt  
in many years, and although on the  
shady side of life, this great and spiry  
agent has made me feel young and spry  
again. It has certainly done me worlds  
of good, and I shall always praise it.  
I recommend it to everybody."  
Signed R. F. Hall, 2120 M. St., Rich-  
mond.

He feels young and spry again—al-  
though on the shady side of life—surely  
no one ought hesitate another sec-  
ond before giving Tanlac the trial it  
deserves.

Stomach ailments cause untold suf-  
fering, and no one really appreciates  
the terrible pains, headaches, bloated  
nervous feelings that can come from  
the faulty assimilation of food until  
he has suffered as those have who  
now so highly endorse and recommend  
Tanlac to others through the daily  
papers here in Richmond, and other  
large cities throughout the country.

## TELLS HOW NEW REMEDY WORKS ON SYSTEM

Richmonder Has Stubborn Case, But  
From First Bottle, Is Greatly  
Helped.

Parham Talks on Manner in Which  
Tanlac Conquers Ailments  
and Diseases.

"I found so much relief from one  
bottle of Tanlac, though my case is  
one of long standing and stubborn, I  
want another bottle," said E. E. Jordan,  
1114 North Seventeenth Street, to  
Mr. Parham, the genial Tanlac rep-  
resentative, the other day, and Parham  
said: "Tanlac wins out in the long run  
every time. There is no mistake about  
that. Disease and ailments don't come  
along and conquer us in a day, and  
Tanlac doesn't conquer diseases in a  
day, either. It can't be done. Disease  
waits until your system is run down,  
and easily attacked, and then climbs  
on and hangs on. And when Tanlac  
is called on to throw out the disease  
or ailment complained of, it first starts  
a general house-cleaning. It cleanses  
and purifies the system of the refuse  
and then begins stimulating the vital  
organs nature provided to renewed  
energy and then we can look for re-  
sults. But, say—people only knew  
what a job Tanlac had to tackle some-  
times, they'd never believe it could be  
successful. But that," said Mr. Par-  
ham, "has nothing to do with what Mr.  
Jordan told me
